Example of PharmEDIUM services.

PharMEDium

## AN EASY CHOICE, WHEN SECONDS COUNT.

In an operating room, every decision is critical. The PharMEDium ready-to-use O.R. anesthesia syringe portfolio can provide peace of mind, and the advanced labeling will support the way you practice.

The easy choice from the provider you've trusted for quality and convenience for over 20 years.  
**Now offering ready-to-use cisatracurium, methohexital, propofol and remifentanyl syringes!**
